CONDITIONS OF SALE, LIMITATION OF WARRANTY & LIABILITY

LIMITATION OF LIABILITY: In no event shall the seller or the manufacturer be liable for special, incidental or consequential damages, or for damages in the nature of penalties. Seller or manufacturer shall not be liable to buyer, by way of indemnification to customer or buyer, if any, for any damages, sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse or the failure to follow the label warning or instructions for use of goods sold by the seller or manufacturer to buyer. Buyer's or user's exclusive remedy and seller's or manufacturer's total liability shall be for damages not exceeding the cost of the product.

WARRANTY DISCLAIMER: Ineffectiveness or other unintended consequence may result because of such factors as presence of other materials or the manner of use or application, all of which are beyond the control of the seller or manufacturer. In no case shall seller or manufacturer be liable for consequences, special or indirect damages resulting from the use or handling of this product. The buyer or his / her customers shall assume all such risks. Tests have not been carried out under all possible conditions and seller or manufacturer cannot and does not warrant the product is compatible with all other chemicals. Seller and manufacturer warrants the product adequately contains, is packaged and labeled, and conforms to the affirmation of fact made on the container and label. Seller or manufacturer makes no other warranties, guarantees, or representations of any kind, either expressed or implied, by usage of trade, statutory or otherwise, with regard to the product sold, including but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Legion Bio Chem and seller offers this product and should buyers and users accept it, subject to the foregoing conditions of sale and limitations of warranty and of liability, which may not be modified except by written agreement signed by a duly authorized representative of Legion Bio Chem.

Fortin25™ is a slow release nitrogen with boron specifically formulated for foliar application to get mid-season growing boosts.

GRADE: 25-0-0
GUARANTEED ANALYSIS

Total Nitrogen (N)	25%
18.8%	Urea Nitrogen
6.2%	Other Water Soluble Nitrogen*
Boron (B)	0.5%

*6.2 % Slow Release Nitrogen derived from Methylene Urease.
Derived from: Urea-triazone Solution and Boric Acid

WARNING: Contains Boron. Do not use on Boron sensitive crops. Use only according to manufacturer's directions.

DIRECTIONS FOR USE

For agricultural / professional / noncommercial use.

Foliar Application: Fill spray tank with water prior to adding fertilizer or other products. Repeat applications may be beneficial. Use of a surfactant may enhance leaf coverage and increase nutrient absorption.

Foliar Rate: 1-2 gal. per acre

Always read and follow label directions. Use in accordance with recommendations of a qualified individual or institution or an approved nutrient management plan and / or soil and / or tissue test. Always test for compatibility prior to application. May cause plant damage if applied above the recommended rates. Do not apply when crop is excessively stressed for moisture or during periods of high temperatures. Use only as a supplement to a regular nutrient management program.
